Woman of Inspiration Alumni

ABOUT YVONNE

Her lilting English accent, stories and humour have provided intrigue and wisdom for talks, radio and podcast interviews, international summits and her "Words Women And Wisdom" Radio Show/Podcast. She is a member of the Evolutionary Business Council (613M+ reach) and Woman of Inspiration Alumni. With 25+ years of experience in 8 high growth start-ups (+ senior corporate roles: Founder, VP, HR Director) she passionately supports women for empowerment and advancement.

WHY WOMEN NEED MORE CONFIDENT CONVERSATIONS

Women Founders received only 2.3% of \$130 billion in venture capital funding in 2020 (Harvard Business Review). Professional women are often still not equally paid (\$0.87 for each \$1.00 men make) and passed over for promotions. Talented, top-notch women need more Confident Conversations strategies and knowledge.
